Bring your creativity to the high street!

We're looking for a trend-savvy designer to create commercial, fashion-forward jersey and nightwear collections for a major UK retailer.

In this role, you'll:

Design on-trend collections from concept to delivery

Produce CADs, mood boards & technical packs

Collaborate with buyers, merchandisers & suppliers

Champion sustainable fabrics & ethical sourcing

You'll need:

3+ years' womenswear design experience (jersey/nightwear ideal)

Strong Adobe Illustrator, Photoshop & CAD skills

A sharp eye for trends & commercial appeal

If you're ready to see your design come to life in stores nationwide, we want to hear from you.

Apply now and make your mark on the UK high street.
